Dear Fellowlabourers,

In Philippians 4:3, Paul addresses those who were fellowlabourers with him in the Gospel ministry. We count each of you to be that with us. No one is able on his own to do the work of the Lord. It is those who stand with us in prayer and support that make possible our labor here in WOTM.

Sunday mornings, unless in other ministry, Elwood goes to Lamar, PA to the T.A. Truckstop and conducts the chapel and yard visitations. We are grateful to the others who go with him.

We have been “finally” able to have the container shipped – one problem, then another but now it should be in Ghana on August 28th (8/28 from Romans seems fitting).

Aletha is down to one visit each week to the therapist. She must be diligent several times a day to get the arm and hand strengthened. She cannot hold one or two fingers up on their own nor is the thumb responding as we had hoped. Yet she says it is very usable. Praise the Lord.

September 11-28, Elwood and Dr. Phil Kissinger will travel to Ghana and Liberia West Africa. Please pray as there is a heavy schedule before them. There are some real financial needs for in country travel, lodging (African hotels know how to charge, with limited service) and food. Normally several pastors will travel along and provision must be made for them as well. They have few if any funds.

Elwood has been busy with repairing the fire damage at the office and making it ready to occupy. Funds are needed to continue operating it. Please pray about this that the Lord will raise fellowlabourers for this.

This fall we will be traveling to colleges and churches – please pray for safety and a good response.

We both serve in our home church, Faith Baptist Church, when in town.

The radio ministry continues and it is a joy to present Bible teaching programs that are a blessing and meet the needs of the listeners.

Please pray that our support increases. As you well know the “outgo” has certainly increased. We know the promise of Philippians 4:19 and we also know he uses “fellowlabourers” to provide. Thank you.

In Christ,

The Pfaunmillers - Elwood & Aletha
